AGENDA

I. Call to Order, Roll Call

II. Public Testimony

Individuals who are unable to provide testimony at this time will be allowed an opportunity to testify when specific agenda items are called.

Individuals may provide oral testimony at the meeting or may submit written testimony in advance of the meeting via email at ets@hawaii.gov or via mail addressed to DTF, at 1151 Punchbowl Street B10, Honolulu, Hawaii 96813, Subject: *DTF Testimony*.

In accordance with Hawai'i Revised Statutes, Section 92-3 and the Committee's prior vote in 2025, testimony will be limited to three (3) minutes per person per agenda item, at the discretion of the Chair to modify this limit at any given meeting. Testimony can be presented through the virtual Teams conference room or in person at the physical meeting location indicated above.

III. Review and Approve the Meeting Minutes of March 16, 2026

IV. Update of Hawai'i Data & AI Summit on May 13, 2026

The Hawai'i Data & AI Summit brought together government leaders and technology partners for a dynamic day of collaboration, insight, and innovation. This summit was designed to spark fresh thinking and deliver practical strategies: <https://events.govtech.com/Hawaii-Data-AI-Summit>.

V. Update from the State Data/AI Officers Summit 2026

The 2nd State AI Officers Summit (June 3-5 in Atlanta, Georgia) was an exclusive public-sector event to help government leaders share strategies on deploying artificial intelligence and data governance. It provided an opportunity for senior AI leaders from across states, territories, and tribes for three days of candid, peer-to-peer exchange.

VI. The New White House Executive Orders on AI: [Promoting Advanced Artificial Intelligence Innovation and Security – The White House](#)

VII. Responsible Data/AI Use Approach

Data/AI governance guiding principles; AI risks to consider; Data/AI governance architecture diagram with different functions and tools we need; AI and data tool evaluation criteria update; and recommended approach on use case prioritization.

VIII. Update on AI Acceptable Use Guidelines

Discussion on expanding the Generative AI Assistant Technologies Usage Guidelines to ensure they will be more effective across the State agencies.

IX. Update on Data/AI Projects:

a. Data sharing project for Department of Corrections and Rehabilitation, and Department of Human Services

b. Omni-channel virtual agent with Department of Transportation

An omni-channel virtual agent is a smart automated assistant that connects with customers across all platforms (like web chat, SMS, phone, and social media) while saving the conversation history.

c. Any data or AI policies to recommend

X. Good of the Order

a. Next scheduled meeting: September 21, 2026

XI. Adjournment

This interactive conference technology meeting will allow closed caption transcription to be activated by participants.

The Data Task Force meeting packet will be available at <https://data.hawaii.gov/meetings/>.

Pursuant to HRS section 92-3.7(c):

In the event the audiovisual connection to the Teams/ Zoom meeting is lost, the meeting may be recessed for up to thirty (30) minutes to restore communication. If communication cannot be restored within thirty minutes after an interruption to communication, the meeting may be continued to an alternative date and time. In the meantime, please try to reconnect to the meeting with the same link used to initially access the meeting.

Auxiliary Aid or Accommodation Due to Disability

If you require an auxiliary aid/service or other accommodation due to disability, please contact Joanna Lee at (808) 586-6000 or email ets@hawaii.gov as soon as possible. Requests made as early as possible have a greater likelihood of being fulfilled. Upon request, this notice is available in alternate/accessible formats.
